vendredi 03	Schoolhouse Café – 8:00-8:30 Island Health Kindergarten Screening – 9:00

REMINDERS and THANK YOUS:

1. Halloween safety tips

- Always travel in groups & walk on sidewalks.
- Some children have allergies so consider treats other than candy.
- Place reflective tape on costumes for visibility.

- 2. Student lunches/snacks** – We have seen a large number of students coming to the office for an extra snack or lunch. Our children are growing all the time so please make sure to pack them enough food to last them for the day or if they pack their own lunch remind them to pack enough.
- 3. Car-pooling** – Parent looking to car pool students or share rides either at the beginning of the day or the end can post their request on the parent notice board just outside the office (next to the PAC notice board).
- 4. Safety Reminders** – We have spoken with a few older students who thought jumping the fence to walk home through the alley was a faster route than going around the school. Please remind your child that we do not supervise the alley or inspect it.
- 5. Congratulations to our 65 cross-country runners** for their outstanding participation in the South Zone Small Schools meet Thursday. We have 46 runners who qualified to attend the District Meet November 2. Thanks also to our incredible team of volunteers at the finish line and along the course as well as our volunteer drivers. We had incredible weather and everyone showed amazing school spirit. Good luck next Thursday!
- 6. Congratulations to our Bantam Football team** who head into their playoff game Wednesday on our field. We are hosting North Oyster School. Come out and cheer on the team!
