### Principal message to Pauline Haarer Community:

Thank you all for coming out on a very cold day to attend the concert and enjoy the fruits of the student's artistic labour. Thank you also to all of the parents that stayed after the concert or came early to help set up.

A special thanks to Mike Hessler for putting up and taking down all of the lights and heavy sound equipment along with his son Jackson and to Jaclyn Cleary along with Chris, Clare and James Boulding who also stayed late last night cleaning up the whole gym! The students were actually able to use the gym for some classes today thanks to your hard work!

I also want to acknowledge the PAC and the parent helpers as well as Mme. Allisen who made the Scholastic Book Fair possible. Thanks to you, our students have a great new selection of French books to enjoy!

Finally, I want to say a big thank you to Jennifer Mile, our fabulous secretary, who has been the cheerful front line during all of the Christmas concert rehearsal mayhem and ticket distribution.

Pauline Haarer is an amazing school because of its great community.

A sincere THANK YOU TO ALL and TO ALL A GOOD NIGHT!

Mme. A.
