Principal's message:

Thank you to everyone who came out to our annual Open House yesterday. It was great to see so many grandparents, aunts, uncles and siblings in the school!

Next Friday is our Terry Fox walk. Please make sure you have your Volunteer forms and Criminal record check completed prior to joining us. We would love to see as many of you out walking with us as we can. Please go to our website to fill these forms out online if you have not already done so. Please note that it takes a few weeks of turn around for Criminal Record checks to be approved so the sooner you get them done the sooner you can join us as a Volunteer on our outings! *Thank you so much for your support!*

Sports:

Football season is off to a great start! Congratulations to the Bantam mixed team who took a 49-0 win over Hammond Bay on Tuesday. A big shout out to Bruce Barnard for coaching and to the fabulous duo Mme. Nadia and Mme. Kerry for sponsoring our team! *Practices are Tuesday mornings 8-840am on the field or gym based on weather.*

Cross country season is upon us. Our wonderful student Support Teacher Danielle Nichol will be our sponsor teacher for our Cross Country Team this year. This team is open to any child in grade 3-7 who wishes to run. There will be a meeting called over lunch hour on Tuesday for all students interested in joining the team. We hope to see many kids there! *Please note that the volunteer running group that is coached by our amazing parent Peter Sinclair is not school run, and if you are not able to attend those practices with your parents you ARE still allowed to be on the Cross Country Team.*

A message from the PAC Emergency Preparedness Committee:

The enhanced comfort kits/ 3 day nutrition supplies are being delivered to your child's classroom today to come home. Please enclose a picture of your child and any other small reassuring items or notes and return to your child's teacher next week. Thank you for your patience as the Emergency Preparedness Committee waited for specialty supplies to be received; we had a much larger volume of orders this year. If your order was placed this week, these kits will be delivered to you early next week. Thank you for your purchase and your commitment to our ongoing emergency preparedness efforts.

Have a wonderful weekend everyone. Get out and enjoy the sunshine if you can!

Sincerely,
Mme. Apland

Please remember to dress for the weather! It is fun to play outside with boots and a raincoat... catching rain drops with our tongues!

Coach Peter Sinclair and runners getting in some extra training. Parents and kids interested in getting extra practice this Cross Country Season please join them on the school field on Mon, Wed and Fridays at 8am. *Parents must be in attendance as this is 100% parent volunteer led! Thank you to Peter for making this happen.*
