Principals message:

On Wednesday we had a sea of students wearing pink to stand up to bullies and we also had the absolute privilege of watching the band *Buzz Cuivres* from Montreal perform their hit show “Music History through the ages”. This show was performed completely in French and tied the history of music in with the stories of oppression of freedom of speech and choice along with a lot of amazing instrumentals and jokes. It had the students and staff engaged, laughing and learning. It was a real treat. They are opening performers at the Maple Sugar festival tonight. For more information on Buzz Cuivres please see the link below and next page for some photos of the event at our site.

Thank you to the parent volunteers from Mme. Marshalls class for helping with the hot lunch today. Many hands make light work! Thank you as always to the PAC and to the parents who support the schools fundraising initiatives.

Sincerely
Mme Apland
