Monday Feb 22

Tuesday Feb 23

Wednesday Feb 24

Wear Pink Day

Thursday Feb 25

Friday Feb 26

Congratulations!

Congratulations to 9 more grade 5 students that will be added to the “published authors” list that we have going here at Pauline Haarer. These 9 students submitted poems to Polar Expressions Publishing in November and have been chosen to have their poems published in their annual anthology. Every year for the last 7 years, students have been submitting their poems and we have had many students become published authors. Congratulations to these authors: Ellie B, Addison B, Elianna C., Nico H., Eli M., Maxine N., Eden S., and Masato T.

PAC Reminder

Don't forget to order your blueberry plants before the Wednesday February 24th deadline.

Plants are \$11 each for a 1 gallon blue crop blueberry plant.

Email order to pac.paulinehaarer@gmail.com

Principal message

This week we celebrated “Random acts of Kindness” at school. I encouraged all students and staff to continue to spread the positive energy and love at home and in the community. Thank you to parents who sent some lovely positive email messages to the office this week. It made our days!

Next Wednesday is Pink Shirt Day in Canada. We will celebrate this day by asking students to wear pink. It does not have to be a shirt as I understand that not all kids own pink shirts and I do not want this day to cause stress to any family when the intent is to spread kindness.

Kindness is contagious; stay CoVID safe but please continue to spread positivity.

Sincerely,

Mme. Apland
