Principal Message

As literacy week celebrations come to an end, I want to thank all staff and students who contributed to sharing stories and recommending books. I hope that the sharing of favorite stories and characters by staff and students this week has opened minds to the magic of reading and story telling. Please see some pictures below of Student and Staff recommendations.

Library Lines

CBC is supporting the whole country by encouraging families to read together. While we often read a book at night to little ones we forget about bigger ones; they love a chapter a night. Here is a segment of a conversation between Shelagh Rogers and experts in children's books. <https://www.cbc.ca/listen/live-radio/1-67-the-next-chapter/clip/15813712-childrens-book-panel-december-2020?share=true>

Bookfully yours,
Mme Allisen

Parents of grade 4 and 7 student's student learning survey:

Early in 2021 the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included. The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school.

Wishing you a wonderful, safe weekend.

Sincerely, Mme. Aplan
